Placing our Veterans Every Day!

Our goal for Veterans, Service Members and their family members are to help them in their employment needs.

We hold Community Engagement Events. These events are set up state wide in Communities; with a Veteran Friendly atmosphere.

We bring in

- *10–12 companies that have immediate hiring needs.

- *Care

- *Benefits

- *Homes for Heroes

- *Educators

- *H2H

- * Work One

- *CVSO's And the list goes on.

This is a one stop shop for the Veterans, Service Members and their Families

The companies are ready to hire and interview on the spot.

The goal of Our Community Engagement Events are for the Veteran, Service Member and Family member to:

- Find employment
- Get education for their career
- Have questions answered for Care
- Have questions answered for Benefits
- Help the veteran out in areas we are able to do so.

If you know of a Veteran, Service Member, or their family member who is unemployed, under employed or over employed please send them our way.
